Dear Mr. Lee,

Thank you so much for having Jerry Olivarez meet with the International Association of Chiefs of Police Board of Officers in San Diego recently and for the support you have shown to our officers and to the leaders in law enforcement. I was so pleased to learn about your *Hands of Respect* initiative and offer any support in this mission.

I consider it a great honor to accept the role as Ambassador to Law Enforcement representing the Stan Lee Hands of Respect Initiative. Building this bridge of respect is personal to me and will serve to influence generations in the United States and beyond to recognize our obligations to each other.

You are the quintessential definition of a real life hero and your work has provided hope and inspiration to millions. I stand ready to assist you with this initiative and many more in the future.

I look forward to being a part of your vision of "Respect."

Respectfully,
